

Now I've seen everything! I flipped through a hearing entitled Children's television (Y 4.EN 2/3:103-27) and found that two of the witnesses were Shari Lewis and her sock puppet Lamb Chop. Yes, there is a Statement of Lamb Chop in the hearing, on page 56! If you don't know who Shari Lewis and Lamb Chop are, see here: <http://www.lambchop.tv/sharilewis/index.shtml>
